TO WHOM IT MAY CONCERN

Dear Sir/Madam

RE: INDUSTRIAL ATTACHMENT (WORK-RELATED LEARNING) PLACEMENT:

.....TIRIVAYI EZRA.....STUDENT REGISTRATION NUMBER: R2420452.....

The Department of Computer Science, University of Zimbabwe (UZ), is applying for (Work Related Learning) industrial attachment placement in your organization on behalf of the above-named student, who is currently studying for the BSc Honours Computer Science/ BSc Honours Artificial Intelligence and Machine Learning/ BSc Honours Cloud Computing and Internet of Things. The (Work Related Learning) industrial attachment is for the period August 2026 to August 2027 and is in partial fulfilment of the requirements of the degree programme.

Inter-alia, the (Work Related Learning) Industrial Attachment will afford the student an opportunity to apply theory and to practice and to prepare the student for professional growth and development. It is against this backdrop that your decision to take the student on (Work Related Learning) Industrial Attachment will be greatly appreciated.

During this period, the student is expected to abide by your organization's rules and regulations. For any further information, please contact the Chairperson via email at trupere@ceic.uz.ac.zw.

I look forward to your favourable response.

Yours sincerely,

MR. T. RUPERE

(HEAD OF DEPARTMENT)

The Human Resources Manager

RE: APPLICATION FOR INDUSTRIAL ATTACHMENT

Dear Sir/Madam,

I am a Bachelor of Science in Computer Science student at the University of Zimbabwe seeking an industrial attachment placement as part of my academic programme.

Through my studies and practical experience, I have developed skills in the related field of learning. I am eager to gain hands-on industry experience, enhance my professional skills, and contribute positively to your organization.

I am a hardworking, adaptable, and fast-learning individual with strong communication and teamwork abilities. I would greatly appreciate the opportunity to undertake my industrial attachment with your organization.

Please find my curriculum vitae attached for your consideration. I look forward to the opportunity to discuss my application further.

Thank you for your time and consideration.

Yours faithfully,

Ezra Tirivayi
Bachelor of Science in Computer Science
University of Zimbabwe

Professional Summary

Computer Science undergraduate at the University of Zimbabwe with practical experience in software development, IoT systems, embedded programming, artificial intelligence and machine learning. Seeking an internship opportunity to apply technical knowledge, gain industry experience, and contribute to innovative technology solutions while continuing to develop professional skills.

Education

UNIVERSITY OF ZIMBABWE

- **BSc (Honors) Computer Science**

Projects

IoT Anti-Theft System

- Developed a motion detection security system using ESP32-CAM and PIR sensor.
- Configured camera monitoring and notification features.

Inventory Management System

- Developed a Flask-based inventory management application with database integration for managing products and stock information.

IoT Temperature Monitoring System

- Designed and implemented a temperature sensing system using Arduino, LEDs, and LCD display integration to monitor and respond to temperature changes.

Technical Skills

- Programming : python, C++, Java, JavaScript, HTML/CSS
- ML/AI : Scikit-learn, Pandas, NumPy, Model training and evaluation
- Tools : Git/GitHub, Jupyter Notebooks, VS Code

Personal Attributes

- Honest and reliable
- Fast learner
- Self-motivated
- Able to work under pressure
- Good interpersonal skills

Languages

- English
- Portuguese
- Shona
- ChiTonga

Certifications

- CS50 Certification (Introduction to Artificial Intelligence with Python)
- ICDL Profile Digital Certification

Interest

- Software Development
- Artificial Intelligence & Machine Learning
- Internet of Things (IoT)
- Cybersecurity
- Embedded Systems

Work Experience

Data Clerk — Curverid Tobacco (Pvt) Limited (March-July 2024)

- Managed and organized company data records, maintained accurate documentation, and assisted with data entry and administrative tasks to support daily business operations.

Volunteer Substitute Teacher & AI Mentor — Cornilius Hope Academy Primary and Secondary

School (January-March 2026)

- Served as a substitute teacher while assisting students in various learning activities and academic support sessions. Mentored school staff on the fundamentals of Artificial Intelligence, digital tools, and emerging technologies to improve technology awareness and digital literacy within the institution.
